

BARNSTAPLE ALLIANCE PRIMARY CARE NETWORK (PCN)

ADVANCED NURSE PRACTITIONER FOR CARE HOMES

Salary: £18.00 - £21.00 per hour depending on Qualifications and Experience
Hours: 16 hours a week over 2 days per week (One day must be a Wednesday)
This is a fixed term or secondment opportunity for 12 months.

Barnstaple Alliance covers four GP surgeries with a combined patient list size of approximately 50,000. To enhance our team, we are looking for a highly motivated Advanced Nurse Practitioner for Care Homes, who will work with our local Care Homes to bring together all parties involved in the care of patients registered with our member GP Practices.

You will work closely with the Lead GP for Care Homes, each GP practice and the multidisciplinary team (MDT) to provide proactive care to the residents in our PCN Care Homes.

- To be a focal point for communication between Care Homes and the four practices.
- To be able to offer clinical advice and guidance to the Care Homes.
- To coordinate the MDT and liaise with all relevant agencies.
- To deliver the Care Home DES Specifications to include Enhanced Health in Care Homes (EHCH).

The post holder should have exceptional communication and organisational skills.

If you are an Advanced Nurse Practitioner with an Independent Prescribing Qualification or have experience of working with the elderly and would like to join a dynamic Primary Care Network to help us shape the future services of our local Care Homes, then please apply for this position.

Closing date: Friday, 9th October 2020
